

Live Wedding Painting

Looking for a meaningful way to commemorate your wedding or give a one-of-a-kind gift while adding a unique experience to your event? I'd be honoured to create a live wedding painting that captures the essence of your special day.

Ideas to Inspire Your Painting:

- **Favourite Moment:** At the altar, the kiss, the ceremony departure, or the first dance.
- **Favourite People:** A painting of the venue with subtle nods to the guests.
- **Favourite Details:** The bouquet, the cake, or another iconic element of your day.

Availability:

Live Wedding Paintings are limited to two per year—secure your spot early!

Pricing:

- **16x20:** \$550 + \$500 live painting fee
- **20x20:** \$575 + \$500 live painting fee
- **24x36:** \$975 + \$500 live painting fee

The Process:

1. **Reach Out:** Contact me to discuss your date and location.
2. **Secure Your Spot:** Confirm your booking with a non-refundable \$250 deposit.
3. **Explore Your Idea:** Decide which moment or details you'd like captured.
4. **Choose Dimensions:** Select your preferred canvas size and orientation.
5. **Preparation:** I'll visit the venue at least two weeks before your wedding to take reference photos. A dedicated workspace for my easel should be arranged, with setup completed before guests arrive.
6. **Payment:** A \$500 payment is required on the day of the wedding prior to painting.
7. **Live Painting:** I'll paint on-site for up to four hours, with additional refinements made after the event.
8. **Delivery:** The final balance is due upon delivery of your completed artwork, which will be within two weeks.

Your satisfaction is my top priority. If the final piece doesn't meet your expectations, there's no obligation to complete the final payment or take the painting. The deposit and day-of payment will be retained to cover time and materials.

Make your day unforgettable with a keepsake that will be cherished for a lifetime.
